- 922 **19 Valley Road (Block 113, Lot 31)** **Hapgood, builder no. 396**
- 1920 Contributing building
Craftsman dwelling; stucco with stone foundation; 3 bays wide, 2 story main structure with a one story enclosed porch on right and one story wing on left; wing on the left; rectangular hip roof, no front dormers, arched dormers on both sides; portico with square stucco piers, an elliptical arched roof; one stone and one stucco chimney; 6/1 double hung windows; based on Center Hall 2 plan.
- ca. 1920 Contributing building
Outbuilding: 2 car 1 story garage of stucco with a square hip roof at street level in front of house. House is set very high above street.
- 1920 Contributing structure
Stone retaining wall along street with cement wash cap.
- 923 **22 Valley Road (Block 113, Lot 33.02)**
- 1965 Non-contributing building
Ranch dwelling; vertical siding with brick foundation; 4 bays wide, 1 story; gable roof; no dormers; no porch; no visible chimney; one picture window, 1/1/ double hung windows.
- ca. 1920 Contributing structure
Stone retaining wall along street with cement wash cap.
- 924 **25 Valley Road (Block 113, Lot 35)** **Hapgood, builder no. 413**
- 1920 Contributing building
Craftsman style dwelling; stucco with stone foundation; 2 bays wide, 2 story main structure with 2 story wings on left and right added ca. 2001; gable roof, no dormers; open porch with wood columns and shed roof on front left (added ca. 2001); glassed in portico with gable roof; one exterior stone chimney; 6/1 double hung windows; based on Foursquare 1 plan, with living room and chimney on left.
- 1920 Contributing structure
Stone retaining wall along street with cement wash cap.
- 925 **30 Valley Road (Block 110, Lot 64)**
- 1954 Non-contributing building
Ranch dwelling; vertical siding (appears to be wood) with cement plaster foundation; 3 wing structure with 2 story main wing on left and 2 one story wings at center and right, angled from the center; gable roof; one stone chimney; casement windows; 2 car attached garage on left.
- 926 **6 Van Duyne Road (Block 50, Lot 10)**
- 1957 Non-contributing building
Ranch dwelling; wood shingle with cement plaster foundation; 1 story; cross gable roof; 1 brick chimney; 1/1 double hung windows and a picture window.

927 9 Van Duyne Road (Block 49, Lot 38.02)

1981 Non-contributing building Photo 47
International style dwelling; vertical wood siding, unseen foundation; 1 story on street, but property drops precipitously and house is 2 stories to rear; flat roof; casement windows typical. House is entered by crossing a bridge.

ca. 1920 Contributing structure
Stone retaining wall along street with cement wash cap.

928 11 Van Duyne Road (Block 49, Lot 40.01)

1952 Non-contributing building
Dwelling; stucco and brick with no visible foundation; tri-partite house of 2 stories; gable roof with two cross gable pedimented bays, one at each end; wide porch with Doric columns, hip roof and pediment at entry; 1 cement stucco chimney; 8/8 double hung windows typical.

929 28 West Shore Road (Block 31, Lot 84)

0 Non-contributing building
Dwelling; vertical wood siding with cement plaster foundation; 3 bays, 1 and 2 stories; gable roofs; wood sided chimney; casement windows.

930 34 West Shore Road (Block 31, Lot 80.02)

1956 Non-contributing building
Dwelling; vertical wood siding with cement plaster foundation; 2 bays, 2 story; gable roof; small gable dormer; entry is through wood pergola; 1 interior stucco chimney; casement windows.

1956 Non-contributing building
Outbuilding: 2 car 1 1/2 story garage of vertical wood siding with gable roof and shed dormer.

931 39 West Shore Road (Block 24, Lot 13)

1968 Non-contributing building
Colonial Revival style dwelling; wood clapboard with cement plaster foundation; 2 story main structure with 1 story wing with garage below and small 1 story sunroom; porch with gable roof and square piers; interior brick chimney; 12/12 and 8/12 double hung windows.

932 40 West Shore Road (Block 31, Lot 77)

1959 Non-contributing building
Ranch dwelling; wood shingle and brick with cement plaster foundation; 1 story with attached garage; gable roof, gable dormer; 1 interior brick chimney; 6/6 double hung windows with shutters.

933 43 West Shore Road (Block 24, Lot 14)

2004 Non-contributing building
Colonial Revival style dwelling; wood shingle and brick with cement plaster foundation; 2 story main structure with 1 story wing attached to garage; gable roof; 1 brick chimney; 6/6 double hung windows and multi-paned picture windows with shutters. Second floor overhangs first floor.

Description of Bridges, Dams, Dikes, and Spillways

- B1* **Morris Avenue Bridge** (crosses a tributary of Troy Brook)
Contributing structure, ca 1911
Deck width 35.3 ft, length 5 ft., concrete box culvert below roadway

Morris County no. 1400-103
- B2* **Cove Place Bridge** (crosses tributary to Mountain Lake)
Contributing structure, ca 1911
Deck width 16 ft, length 40 ft., concrete arch – deck

Low stone wall curving up to a high wall and back down to low wall; ending in round stone piers with conical stone caps.

Morris County no. 1400-153
- B3* **Briarcliff Road Bridge** (crosses canal between Mountain and Wildwood Lakes)
Contributing structure, ca 1911
Deck width 50.3 ft, length 21 ft., concrete slab structure

Morris County no. 1400-154
- B4* **Barton Road Bridge** (near Lake Drive, crosses canal between Mountain and Wildwood Lakes)
Contributing structure, ca 1911,
Deck width 29.6 ft, length 21 ft., pre-stressed concrete stringer

Stone walls each side of street with cement wash atop. Intermittent piers with concrete caps. Bridge was reconstructed ca. 1995, when it was made higher and expansion joints were added.

Morris County no. 1400-155 Photo no. 10
- B5* **Lake Drive Bridge** (crosses Troy Brook)
Contributing structure, ca 1911
Deck width 50.3 ft, length 21 ft., concrete slab structure

Stone walls each side of street with cement wash atop. Intermittent piers with concrete caps.

Morris County no. 1400-156
- B6* **Valley Road/ Pocono Road Bridge** (at corner)
Contributing structure, ca 1911

Above roadway is a stone wall approximately 20'-0" long with cement wash top about 5'-0" high on one side of street, pipe rail on the opposite side.

- B7* **Lake Drive Bridge** (between 162 and 176 Lake Drive, crosses tributary to Mountain Lake)
Contributing structure, ca 1911
Deck width 31.7 ft, length 8 ft., masonry arch deck
- Low stone walls have cement wash tops. Each end of the bridge has a large boulder cemented in an upright position.
- Morris County no. 1400-158
- B8* **Kenilworth Road Bridge** (between 130 and 136 Kenilworth Road, crosses tributary to Mountain Lake)
Contributing structure, ca 1911
Deck width 31.5 ft, length 2.5 ft., steel culvert
- Concrete walls each side of road are about 2'-0 high, 8'-0" long.
- Morris County no. 1400-160
- B9* **Melrose Road Bridge** (crosses unnamed stream)
Contributing structure, ca 1911
Deck width 32.5 ft, length 1.5 ft., concrete culvert
- Aluminum guard rail on one side, wood railing opposite.
- Morris County no. 1400-161
- B10* **Melrose Road Bridge** (Between 130 and 11 Melrose Road, crosses unnamed stream)
Contributing structure, ca 1911
Deck width 39.5 ft, length 6.5 ft., concrete culvert
- Stone bridge over a tiny stream. Walls are about 3'-0" high with concrete caps.
- Morris County no. 1400-162
- B11* **Hanover Road Bridge** (crosses unnamed stream)
Contributing structure, ca 1911
Deck width 37 ft, length .7 ft., concrete culvert
- Nothing visible above the roadway, small stone walls surround concrete culvert below road.
- Morris County no. 1400-163
- B12* **Crane Road Bridge** (between 26 and 34 Crane Road, crosses a tributary to Mountain Lake)
Contributing structure, ca 1911
Deck width 34.5 ft., length 9 ft., masonry arch-deck
- Above roadway are stone piers on both sides of the road about 5'-0" on center with cement wash tops with large stones spanning pier to pier.
