

DONATION FORM

HISTORIC PRESERVATION COMMITTEE OF MOUNTAIN LAKES

The Historic Preservation Committee's (HPC) core mission is to safeguard the buildings and public spaces that make Mountain Lakes a unique community and to educate residents by collecting and preserving artifacts and stories that help tell the town's history.

The Preservation Shed is an essential component of this mission because we are able offer for reuse many authentic building components that are common to the Hapgood and Belhall homes. To help offset our expenses, the HPC asks for a voluntary donation that corresponds to the value of the items that are reused. The following is a list of suggested donations for our more popular items.

Location of Preservation Shed:

33 Tower Hill Road, Mountain Lakes

HPC Chair: Alex Gotthelf (973) 794-6677
