1. Nick Coppola is no longer the Environmental Commission representative to EDAC. Nick expressed an interest in remaining on EDAC. The committee voted unanimously to approve Nick for the existing open position on EDAC. The Environmental Commission will nominate Nicks replacement.
2. Meeting will remain 2nd Tuesday of the month, 5:30 PM via zoom for the foreseeable future.
3. Chris Richter will reach out to the developer of the Zeris Inn property to have him come to an EDAC meeting to give us an update.
4. Joe will update the power point based on feedback from public meeting attendees in December. Will will update the draft ordinance to match the power point updates.
5. At next months meeting we will discuss the in person meeting with the Midvale Area property Owners.
6. Joe will take over following up with Frank Cahill.
7. The committee agreed that we will not pursue a separate website but we will look at improving what we have and adding a page for developers.
