

# THE MOUNTAIN LAKES LIBRARY

presents

## Cyber Security and You: Staying Safe on the Internet

# Wed Jan 30 - 7pm

in the ML Library Community Room

**Vikrant Arora** is currently Chief Information Officer at the Hospital for Special Surgery and has been a security executive for over 15 years, helping government, education and healthcare sectors become more resilient against cyber-attacks.

Join us to learn how to **stay safe** on the Internet, **protect your privacy** on Facebook, **prevent identity theft**, and **respond to corporate data breaches** such as the recent Equifax and Marriott Starwood breaches.
