Memo

To: Mayor and Council, Borough of Mountain Lakes

From: Robert H. Oostdyk, Jr., Esq.

Date: April 17, 2019

Re: Implementation of Affordable Housing Declaratory Judgment Court Order

The Court Judgment obtained by the Borough approving of the Fair Share Plan of the Borough of Mountain Lakes requires the Borough to implement the terms of the agreement with Fair Share Housing by the adoption of several Ordinances consistent with the agreement and the Judgment. As a discussion item tonight, the Borough Council has been provided with six draft Ordinances which, if adopted, should satisfy the requirements to implement the terms of the Judgment. These six Ordinances have been prepared by a combination of Paul Philips, the subcommittee working on accessory apartments, and I. This memo summarizes the six Ordinances.

1. Overlay Ordinance

This is a draft ordinance which places overlay zoning on 6 sites that are identified in the Borough's Settlement Agreement with Fair Share Housing Center. The six sites are permitted a density of up to 14 dwelling units per acre. If the units are rental units then 15 percent of them must be set-aside as affordable units. If the units are for-sale units then 20 percent of them must be set-aside as affordable units.

2. Affordable Accessory Apartment Ordinance

This is a draft ordinance which permits affordable accessory apartments in any Residential District and in the A Business District. Adopting an Affordable Accessory Apartment ordinance is required pursuant to the Settlement Agreement. This ordinance was drafted by the Affordable Accessory Apartment Committee with minor tweaks for formatting and consistency by Phillips Preiss. These changes include the following:

- Using the term "Administrative Agent" instead of "Housing Administrator" to be consistent with the rules of UHAC and the draft Affordable Housing Ordinance.
- The removal of definitions which are in the draft Affordable Housing Ordinance and do not need to be repeated.
- Section E.(2) the phrase "or until the Borough elects to release the unit from the requirements of the deed restriction" was removed after 10 years because in order for the units to count as affordable units according to NJAC 5:93-1 et seq. they must be deed restricted for at least 10 years.
- Section E.(3)(a) the phrase "or a successor entity" was added after COAH.

- Section F.(2) “conformance with COAH’s requirements” was changed to “conformance with the requirements of NJAC 5:93-1 et seq.”

3. Affordable Housing Ordinance

This is a draft ordinance which would replace the Affordable Housing Ordinance that is currently in the Zoning Code. An “essential term” of the Settlement Agreement with Fair Share Housing Center is that the Borough will within 120 days of the Court’s approval of the Agreement introduce and adopt an ordinance providing for the amendment of the Borough’s Affordable Housing Ordinance to implement the terms of the Agreement. Among the provisions of this ordinance is the establishment of the Borough-wide mandatory set-aside requirement. The ordinance also outlines the positions of Municipal Housing Liaison and Administrative Agent.

4. Affirmative Marketing Plan

The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters to housing units which are being marketed by a developer or sponsor of affordable housing. The Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. The Administrative Agent oversees the Affirmative Marketing Plan. Per the Borough’s Settlement Agreement with Fair Share Housing Center, the Borough is required to add several community and regional organizations to the Affirmative Marketing Plan. These organizations have been incorporated in to section 3f of the Affirmative Marketing Plan.

5. Development Fee Ordinance

State law allows municipalities to require the payment of development fees to be used toward the implementation of affordable housing in municipalities which have either received approval from COAH or from the Courts of an affordable housing plan. Mountain Lakes did have a development fee ordinance and did collect funds under earlier affordable housing rounds but eliminated the development fee several years ago when the decision was made to cease involvement with COAH. The decision to now seek Court approval of an Affordable Housing Plan means that the Borough is again entitled to collect development fees and use those fees to implement our Affordable Housing Plan. This Ordinance would reestablish development fees consistent with State Law. The spending plan which is established under a separate Ordinance sets forth how the fees collected will be spent. The accessory apartment program established under the Plan will require a financial contribution which can be funded through development fees.

6. Spending Plan Ordinance

This is a draft Spending Plan. Per the terms of the Settlement Agreement the Borough shall prepare a Spending Plan within 120 days of the Court’s approval of the Agreement. The Plan estimates development fees coming from residential and non-residential development that will be spent on the Affordable Accessory Apartment program, Affordability Assistance (30 percent is required), and Administration (up to 20 percent is permitted). Pursuant to the Fair Housing Act, the funds are committed for expenditures within four years of the date of collection.

- A. Mountain Lakes shall adopt by resolution an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented.

The affirmative marketing plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward COAH Housing Region 2 and covers the period of deed restriction.

DRAFT

- C. The affirmative marketing plan shall provide a regional preference for all households that live and/or work in COAH Housing Region 2 comprised of Essex, Morris, Union and Warren Counties.
- D. The Administrative Agent designated by Mountain Lakes shall assure the affirmative marketing of all affordable units consistent with the Affirmative Marketing Plan for the municipality.
- E. In implementing the affirmative marketing plan, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- F. The affirmative marketing process for available affordable units shall begin at least four months prior to the expected date of occupancy.
- G. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner, unless otherwise determined or agreed to by Mountain Lakes.
- H. Selection of Occupants of Affordable Housing Units.
 - (1) The administrative agent shall use a random selection process to select occupants of low- and moderate-income housing.
 - (2) A waiting list of all eligible candidates will be maintained in accordance with the provisions of N.J.A.C. 5:80-26 et seq.

§245-38. Enforcement of Affordable Housing Regulations

- A. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:
 - (a) A fine of not more than \$500 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;

DRAFT

- (b) In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Mountain Lakes Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - (c) In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
- (2) The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.
- (a) Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
 - (b) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
 - (c) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

DRAFT

- (d) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- (e) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- (f) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

Section 3: If any section or provision of this Ordinance shall be held invalid in any Court of competent jurisdiction, the same shall not affect the other sections or provisions of this Ordinance, except so far as the section or provision so declared invalid shall be inseparable from the remainder or any portion thereof.

Section 4: All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed to the extent of such inconsistency.

Section 5: This Ordinance shall take effect immediately after final passage and publication in the manner provided by law.

INTRODUCTION

The Borough of Mountain Lakes, Morris County has prepared a Housing Element and Fair Share Plan in accordance with the Municipal Land Use Law (N.J.S.A. 40:55D-1 et seq.), the Fair Housing Act (N.J.S.A. 52:27D-301) and N.J.A.C. 5:93-5.1(c). A development fee ordinance creating a dedicated revenue source for affordable housing was adopted by the municipality in 2019. The ordinance establishes the Borough of Mountain Lakes affordable housing trust fund for which this spending plan is prepared.

1. REVENUES FOR CERTIFICATION PERIOD

As of March 31, 2019, the Borough of Mountain Lakes had collected \$33,509.05 and expended \$2,666.41, resulting in a balance of \$30,842.64. All development fees and interest generated by the fees are deposited in a separate interest-bearing affordable housing trust fund in Provident Bank for the purposes of affordable housing. These funds shall be spent in accordance with N.J.A.C. 5:93-8.16, as described in the sections that follow.

To calculate a projection of revenue anticipated during the period of third round substantive certification (i.e., 2018-2025), the Borough of Mountain Lakes considered the following:

(a) Development fees:

1. Residential and nonresidential projects which have had development fees imposed upon them at the time of preliminary or final development approvals;
2. All projects currently before the planning and zoning boards for development approvals that may apply for building permits and certificates of occupancy; and
3. Future development that is likely to occur based on historical rates of development.

(b) Payment in lieu (PIL):

The Borough does not anticipate collecting any actual and committed payments in lieu (PIL) of construction from developers.

(c) Other funding sources:

The Borough does not anticipate collecting any funds from other sources, including, but not limited to, the sale of units with extinguished controls, repayment of affordable housing program loans, rental income, and proceeds from the sale of affordable units.

(d) Projected interest:

Interest on the projected revenue in the municipal affordable housing trust fund at the current average interest rate of 0.40 percent.

¹ Mountain Lakes projects the construction of three new homes per year over the compliance period, averaging an equalized assessed value of \$798,570. This average equalized assessed value is based on an average housing price of approximately \$900,000 and an equalization ratio of 88.73 percent.

² Mountain Lakes projects the construction of 5,000 square feet of commercial space per year over the compliance period. The calculation of equalized assessed value is based on an estimated market value of \$20 per square foot, operating income of 30 percent and a capitalization rate of 7 percent.

The Borough of Mountain Lakes projects a total of \$406,836.50 in development fees to be collected between April 1, 2019 and December 31, 2025. This projected amount, when added to the Borough of Mountain Lakes' trust fund balance as of March 31, 2019 (i.e., \$30,842.64) plus interest earned on the incoming revenue of \$2,924.74 results in an anticipated total amount of \$440,603.88 available to fund and administer its affordable housing plan. All interest earned on the account shall be used only for the purposes of affordable housing.

2. ADMINISTRATIVE MECHANISM TO COLLECT AND DISTRIBUTE FUNDS

The following procedural sequence for the collection and distribution of development fee revenues shall be followed by the Borough of Mountain Lakes:

(a) Collection of development fee revenues:

Collection of development fee revenues shall be consistent with Borough of Mountain Lakes' development fee ordinance for both residential and non-residential developments in accordance with the Department's rules and P.L.2008, c.46, sections 8 (C. 52:27D-329.2) and 32-38 (C. 40:55D-8.1 through 8.7).

(b) Distribution of development fee revenues:

The disbursement of monies in the Borough of Mountain Lakes' affordable housing trust fund is coordinated by its Municipal Housing Liaison in conjunction with the Borough's Chief Financial Officer and the Borough Committee. In some instances, funds will be provided to other entities, such as an entity responsible for administering a program, for eventual disbursement.

3. DESCRIPTION OF ANTICIPATED USE OF AFFORDABLE HOUSING FUNDS

In addition, at least one-third of the affordability assistance shall be used to provide affordability assistance to very-low income households. The Borough will reserve approximately 37 percent of its total trust fund money (i.e., \$163,926) to render units more affordable, including \$54,642 to render units more affordable to households earning 30 percent or less of median income by region as follows:

- For sale units in the form of emergency repairs, down-payment assistance, homeowner assistance loans for condominium or homeowner association fees, and homeowner assistance loans for mortgage payments up to two months or less in arrears to forestall foreclosure.

However, the Borough of Mountain Lakes proposes to dedicate \$86,674 from the affordable housing trust fund for administrative purposes. Projected administrative expenditures, subject to the 20 percent cap, are as follows:

- Provision of professional planning and legal services related to the planning for affordable housing.

In that decision, the New Jersey Supreme Court transferred primary jurisdiction over affordable housing matters from the New Jersey Council on Affordable Housing (“COAH”) to the New Jersey Superior Court and established a transitional process for municipalities, like the Borough of Mountain Lakes (“Borough”), to file declaratory judgement actions seeking to declare their Housing Element and Fair Share Plans (“HEFSPs”) as being constitutionally compliant and seeking similar protections to what they would have received if they had continued to proceed before COAH; and

WHEREAS, on July 25, 2016, the Borough filed a declaratory judgement action with the New Jersey Superior Court seeking to declare its HEFSP as being constitutionally compliant and seeking protection and repose against exclusionary zoning litigation; and

WHEREAS, the Borough negotiated and executed a Settlement Agreement dated January 29, 2019 with the Fair Share Housing Center (“FSHC”), which included agreement on the extent of the Borough’s affordable housing fair share obligation for the period from 1999 to 2025 and the methods the Borough intends to use to satisfy the obligation; and

WHEREAS, Borough zoning rules prohibit the presence of accessory apartments in residential zones, but the Settlement Agreement includes a requirement that the Borough establish five affordable Accessory Apartments

NOW, THEREFORE, the general purpose of this Chapter is to provide an opportunity for the creation of accessory apartments within Residential and “A” Business districts of the Borough, sufficient to meet the terms of the settlement agreement, and to provide the ability for the owner-occupant of a Borough dwelling to apply to provide one such accessory apartment which shall be rented according to the provisions of the Uniform Housing Affordability Control Rules (N.J.A.C. 5:80-36.1, et seq.), and administered by the appropriate Borough officer;

Municipalities that are under the jurisdiction of the Council or court of competent jurisdiction and have a approved spending plan may retain fees collected from nonresidential development.
- C. This article establishes standards for the collection, maintenance and expenditure of development fees pursuant Court approval since the Borough has sought and received a Declaratory Judgment approving its affordable housing plan and in accordance P.L. 2008, c. 46, Sections 8 and 32 through 38. Fees collected pursuant to this article shall be used for the sole purpose of providing low- and moderate-income housing. COAH or THE COUNCIL The New Jersey Council on Affordable Housing or a successor to be established under State law which has primary jurisdiction for the administration of housing obligations in accordance with sound regional planning consideration in the state.

DEVELOPER The legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

DEVELOPMENT FEE Money paid by a developer for the improvement of property as permitted in N.J.A.C. 5:97- 8.3.

§ 65-4 Residential development fees.

A. Imposed fees.

- (1) Within all residential zoning district(s), residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1 1/2% of the equalized assessed value for residential development, provided no increased density is permitted.
- (2) When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a "d" variance) has been permitted, developers may be required to pay a development fee of 6% of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example. If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1 1/2% of the equalized assessed value on the first two units; and the specified higher percentage up to 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

B. Eligible exactions, ineligible exactions and exemptions for residential development.

- (1) Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units shall be exempt from development fees.

DRAFT

- (2) Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued.
- (3) Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
- (4) Developers of developments with one or two owner-occupied dwelling units or residential structures demolished and replaced as a result of a natural disaster shall be exempt from paying a development fee.

§ 65-5 Nonresidential development fees.

A. Imposed fees.

- (1) Within all zoning districts, nonresidential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements for all new nonresidential construction on an unimproved lot or lots. 23 of 27
- (2) Nonresidential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for nonresidential purposes.
- (3) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the preexisting land and improvement and the equalized assessed value of the newly improved structure, i.e., land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the nonresidential development fee shall be zero.

B. Eligible exactions, ineligible exactions and exemptions for nonresidential development.

- (1) The nonresidential portion of a mixed-use inclusionary or market-rate development shall be subject to the two-and-one-half-percent development fee, unless otherwise exempted below.
- (2) The two-and-one-half-percent fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
- (3) Nonresidential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required pursuant to P.L. 2008, c. 46, as specified in the Form N-RDF, "State of New Jersey Nonresidential Development Certification/Exemption" Form. Any exemption claimed by a developer shall be substantiated by that developer.
- (4) A developer of a nonresidential development exempted from the nonresidential development fee pursuant to P.L. 2008, c. 46, shall be subject to it at such time as the basis for the exemption no

DRAFT

longer applies and shall make the payment of the nonresidential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the nonresidential development, whichever is later.

- (5) If a property which was exempted from the collection of a nonresidential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. CONSTRUCTION OFFICE MONTHLY ACTIVITY REPORT

MARCH 2019

ADMINISTRATIVE SUMMARY

After a tough Winter season the temperature finally increased and the precipitation decreased – allowing construction to begin its Spring climb. The number and size of permit applications has also finally started to increase. All aspects of the office have seen marked increases – applications, plan reviews and inspections.

Larger projects are being submitted including new homes and major renovations. Two commercial renovation/alteration projects are also scheduled for this Spring season with initial meetings held with their owners and contractors.

The Enclave at Mountain Lakes is getting ever nearer to the issuance of the first certificates for the complex. Final building inspections, engineering inspections and a list of resolution conditions must be met prior to occupancy.

The inspection staff members are all remotely entering their inspection results into the computer system in real time. The ability to access information remotely is beginning to increase efficiency. Additional features of the software are being put into use as the learning curve allows.

- (2) Early in the 2018-2019 influenza season, influenza A 2009 H1N1 was the predominant virus and the season appeared to have peaked in mid-February.
- (3) A continual increase in influenza AH3N2 virus detections began in late January and is likely responsible for the prolonged high levels of influenza activity.
- (4) Influenza vaccine effectiveness is generally lower against influenza AH3N2 viruses than against A 2009 H1N1 or B viruses. In addition, one genetic clade of AH3N2 viruses, the 3C.3a clade, has recently become predominant among circulating AH3N2 virus and according to laboratory testing these viruses are antigenically distinct (different) from the A H3N2 virus included in this season's vaccine. This means the vaccine may not offer as much protection against these H3 viruses.

Eating Right on a Budget

Getting the most nutrition for your food budget starts with a little extra planning before you shop. There are many ways to save money on the foods that you eat. Here are some budget-friendly tips for eating right.

Plan what you're going to eat

Before you head for the grocery store, plan your meals and snacks for the week. Review recipes for what ingredients are needed. Check to see what foods you already have and make a list of what you need to buy. When you shop with a list, you will be less likely to buy extra items that are not on it.

Decide how much to make

Making a large batch by doubling a recipe will save time in the kitchen later on. Extra portions can be used for lunches or meals later in the week, or freeze leftovers in individual containers for future use. Plus, foods purchased in bulk are almost always cheaper.

Determine where to shop

Check the local newspaper, online and at the store for sales and coupons, especially when it comes to more expensive ingredients, such as meat and seafood. While at the store, compare prices of different brands and different sizes of the same brand to see which has a lower unit price. The unit price is usually located on the shelf directly below the product.

Shop for foods that are in season

Fresh fruits and vegetables that are in season are usually easier to get and may be a lot less expensive. Your local farmer's market is also a great source of seasonal produce. Just remember that some fresh fruits and vegetables don't last long. Buy small amounts at a time to avoid having to throw away spoiled produce.

Smart Snacking for Adults and Teens

Snacks can fit into a healthy eating plan and provide an energy boost between meals, if they're planned right. Choosing nutritious foods from the MyPlate food groups can help increase variety and reduce sources of empty calories and added sugar.

Snacks for people who are less active should be 200 calories or less. To fuel more active teens and adults, snacks can contain 200 to 300 calories per serving.

Make snacking a smart habit by:

- **Snacking only when you're hungry.** Eating out of boredom or for emotional reasons can lead to weight gain. Rate your hunger before reaching for a snack and avoid mindless eating.
- **Having snacks planned and portioned out ahead of time.** Fixing snacks in advance, like washed and cut-up fruits and vegetables, air-popped popcorn, and low-fat cheese, can save time later on.
- **Practicing food safety.** Keep perishable foods refrigerated or in a cooler bag with ice packs to help reduce the risk of food poisoning.

Make snacking simple by substituting different fruits and vegetables, depending on what is in season or on sale. Fresh, frozen, canned (in 100% juice), or dried varieties are all good options.

Keep your snacking lively by including snacks that contain grains, especially whole grains, lean protein and healthy fats. Some examples include fat-free yogurt with fruit, whole-grain crackers with low-fat cheese, or raw veggies with hummus.

Eating different combinations of foods can be very satisfying and help to curb hunger. Snacks that include fruit can also satisfy a craving for something sweet.

The 2018 State Indicator Report on Fruits and Vegetables shows:

- ❖ Only 12.2% of adults meet the daily fruit intake recommendation.
- ❖ Only 9.3% of adults meet daily vegetable intake recommendation.

(1) Clinicians should consider influenza as a possible diagnosis for patients with respiratory illness while influenza activity levels remain high.

Action Items:

(1) All hospitalized, severely ill, and high-risk patients with suspected or confirmed influenza should be treated with antivirals – s attached CDC Health Advisory for more information.

(2) Clinical judgment—considering the patient’s disease severity and progression, age, likelihood of influenza, and time since onset of symptoms—is important when making antiviral treatment decisions for outpatients who are not at increased risk for influenza complications.

(3) Clinical benefit is greatest when antiviral treatment is administered as early as possible after illness onset. Therefore, antiviral treatment should be started as soon as possible after illness onset and should not be delayed, even for a few hours to wait for the results of testing. Ideally, treatment should be initiated within 48 hours of symptom onset. However, antiviral treatment initiated later than 48 hours after illness onset can still be beneficial for some patients.

Monthly Activities

CDRSS is checked, at minimum, twice daily to review for newly listed communicable diseases. This is accomplished by all nursing staff. Upon the listing of a new disease, investigation of disease is initiated by PHN NJLINC checked daily. Health alerts and advisories are reviewed by all Public Health nurses.

Screenings This Month

No screenings this month.

Seasonal Flu Activities

We continue to disseminate the message to the public that individuals who did not receive the vaccine that doses are still available and appropriate to receive via newsletters, social media and the township website. Influenza activity as reported by NJDOH surveillance is **high** for this region for week ending March 23rd 2019.

Disease Prevention - Well Child Program – 2 months thru 18 years of age - L. Gearhart, PHRN

No patients this month for the Well Child Program.

Childhood Lead Poisoning Prevention Program – T. Fucci, PHRN

No cases from Mountain Lakes reported to our office during this month. Lead case management monitoring occurs twice daily a minimum for jurisdiction within the NJDOH Welligent LeadTrax Monitoring system.

TB Control Program – T. Fucci, PHRN

No Mantoux tests were administered this month.

Perinatal Hepatitis B Prevention Program, T. Fucci, PHRN

No PNHBV cases from Mountain Lakes reported to our office during this month.

Communicable Disease

The classifications for the cases listed below are based on the investigation conducted by the PHN, laboratory evaluation and NJDOH case definition. All investigation information is entered into CDRSS; NJDOH reads entries, comments on individual cases and will send PHN email requesting more data. Once NJDOH is satisfied with investigation methods, the case is approved and closed.

Patient Status is based on pt s/s, lab result interpretation and NJDOH Case Definition which is found in the NJDOH Communicable Disease Manual

Memo

To: Mayor and Council, Borough of Mountain Lakes
From: Robert H. Oostdyk, Jr., Esq.
Date: April 17, 2019
Re: Implementation of Affordable Housing Declaratory Judgment Court Order

The Court Judgment obtained by the Borough approving of the Fair Share Plan of the Borough of Mountain Lakes requires the Borough to implement the terms of the agreement with Fair Share Housing by the adoption of several Ordinances consistent with the agreement and the Judgment. As a discussion item tonight, the Borough Council has been provided with six draft Ordinances which, if adopted, should satisfy the requirements to implement the terms of the Judgment. These six Ordinances have been prepared by a combination of Paul Philips, the subcommittee working on accessory apartments, and I. This memo summarizes the six Ordinances.

1. Overlay Ordinance

This is a draft ordinance which places overlay zoning on 6 sites that are identified in the Borough's Settlement Agreement with Fair Share Housing Center. The six sites are permitted a density of up to 14 dwelling units per acre. If the units are rental units then 15 percent of them must be set-aside as affordable units. If the units are for-sale units then 20 percent of them must be set-aside as affordable units.

2. Affordable Accessory Apartment Ordinance

This is a draft ordinance which permits affordable accessory apartments in any Residential District and in the A Business District. Adopting an Affordable Accessory Apartment ordinance is required pursuant to the Settlement Agreement. This ordinance was drafted by the Affordable Accessory Apartment Committee with minor tweaks for formatting and consistency by Phillips Preiss. These changes include the following:

- Using the term "Administrative Agent" instead of "Housing Administrator" to be consistent with the rules of UHAC and the draft Affordable Housing Ordinance.
- The removal of definitions which are in the draft Affordable Housing Ordinance and do not need to be repeated.
- Section E.(2) the phrase "or until the Borough elects to release the unit from the requirements of the deed restriction" was removed after 10 years because in order for the units to count as affordable units according to NJAC 5:93-1 et seq. they must be deed restricted for at least 10 years.
- Section E.(3)(a) the phrase "or a successor entity" was added after COAH.

- Section F.(2) “conformance with COAH’s requirements” was changed to “conformance with the requirements of NJAC 5:93-1 et seq.”

3. Affordable Housing Ordinance

This is a draft ordinance which would replace the Affordable Housing Ordinance that is currently in the Zoning Code. An “essential term” of the Settlement Agreement with Fair Share Housing Center is that the Borough will within 120 days of the Court’s approval of the Agreement introduce and adopt an ordinance providing for the amendment of the Borough’s Affordable Housing Ordinance to implement the terms of the Agreement. Among the provisions of this ordinance is the establishment of the Borough-wide mandatory set-aside requirement. The ordinance also outlines the positions of Municipal Housing Liaison and Administrative Agent.

4. Affirmative Marketing Plan

The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters to housing units which are being marketed by a developer or sponsor of affordable housing. The Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. The Administrative Agent oversees the Affirmative Marketing Plan. Per the Borough’s Settlement Agreement with Fair Share Housing Center, the Borough is required to add several community and regional organizations to the Affirmative Marketing Plan. These organizations have been incorporated in to section 3f of the Affirmative Marketing Plan.

5. Development Fee Ordinance

State law allows municipalities to require the payment of development fees to be used toward the implementation of affordable housing in municipalities which have either received approval from COAH or from the Courts of an affordable housing plan. Mountain Lakes did have a development fee ordinance and did collect funds under earlier affordable housing rounds but eliminated the development fee several years ago when the decision was made to cease involvement with COAH. The decision to now seek Court approval of an Affordable Housing Plan means that the Borough is again entitled to collect development fees and use those fees to implement our Affordable Housing Plan. This Ordinance would reestablish development fees consistent with State Law. The spending plan which is established under a separate Ordinance sets forth how the fees collected will be spent. The accessory apartment program established under the Plan will require a financial contribution which can be funded through development fees.

6. Spending Plan Ordinance

This is a draft Spending Plan. Per the terms of the Settlement Agreement the Borough shall prepare a Spending Plan within 120 days of the Court’s approval of the Agreement. The Plan estimates development fees coming from residential and non-residential development that will be spent on the Affordable Accessory Apartment program, Affordability Assistance (30 percent is required), and Administration (up to 20 percent is permitted). Pursuant to the Fair Housing Act, the funds are committed for expenditures within four years of the date of collection.
