

IMPORTANT MESSAGE: COVID-19 RATEPAYER RELIEF MEASURES

Certain measures are in place providing relief to ratepayers experiencing economic hardship during the COVID-19 pandemic. Please review this message in its entirety.

SERVICE SHUTOFF MORATORIUM

BE ADVISED that Executive Order 229 currently prohibits a local government from shutting off water or electric service to a residential customer, or to accounts primarily serving residential customers, due to non-payment of water, sewer, or electric charges unless the disconnection is to prevent or ameliorate a risk to public health or safety. **This shutoff moratorium remains in effect until January 1, 2022.**

LATE PAYMENT PENALTY AND LIEN ENFORCEMENT MORATORIUM

BE ADVISED that, **until January 1, 2022**, Executive Order 229 places a moratorium on local governments enforcing late payment charges and penalties on water or electric accounts, or referring a delinquent water or electric payment to tax sale. **On or after January 1, 2022**, charges and penalties may be imposed for delinquent payments, and any payments remaining delinquent may be referred to a tax lien sale held by the municipal tax collector.

BILL ASSISTANCE AND ARREARAGE FORGIVENESS PROGRAMS

The New Jersey Department of Community Affairs (DCA) is currently developing a Low Income Household Water Assistance Program (LIHWAP). This program is designed to assist water and sewer customers facing economic hardship due to the COVID-19 pandemic. Further information will be provided once the program goes live.
